

Chiefs report for March;

1. We received 20 resumes for open position.
2. We will be setting up a night for gear sizing.
3. Drills for March;  
13th Fire Department response to Lithium fires.  
20th SCBA recert.  
29th Chain saws, structural and log.
4. Paperwork filled for injury, at a structure fire.
5. Apparatus committee has met several times, and are working on a replacement schedule.
6. Heater has been repaired in the Gym and mechanic shop.
7. Apparatus check sheets are getting updated on the new software.
8. We performed a walk through of the treatment plant. We will have to schedule multiple dates to keep the number around 8 firefighters. I will be setting a date for our mutual aid confined space companies to walk through also.

Thank you,

**Richard Byrne**
