

August 2, 2023

To: Plumsted Township Board of Fire Commissioner #1
From: Captain Jodi Byrne
Subject: August 2023 EMS Report

I will not be in attendance for tonight's meeting due to an out of state family issue. Please feel free to contact me via cell with any questions.

July 2023 109 Calls
 12 Refusals

-Speedway: Invoices for June 2023 were sent to Suzy.

-Coronis Billing Company: Everything seems status quo. Revenue is up which is good sign.

-NE Elks Grant: Received \$2500 in grant money from NE Elks to upgrade to Ipads. They should be in service this week.

-Squad telephone is still not fixed. Ongoing working with township clerk and Comcast to get fixed and set up the way it was previously. Fiber optic upgrades have been added to building, still waiting for final inside hookup to be completed.

-Rear parking lot lighting- Awaiting replacements. What is the status? Still ongoing issue.

-Building Air Conditioner/Heater Unit: The unit is still broken. Spoke with township clerk. They are awaiting third bid. They also noted the roof need replacing before the AC can be replaced so they are awaiting quotes for that as well.

-LUCAS device: This device would be very helpful in the treatment of cardiac arrest patients, especially at night and weekends when the fire staff is not here to assist our two person crew. There are also many times ALS is delayed or unavailable. Attached is a quote for a LUCAS device. I would like to purchase one at this time which can be rotated to the duty ambulance on a daily basis.

Please let me know if you have any questions.
