

March 28, 2024

To: Plumsted Township Board of Fire Commissioner #1
From: Captain Jodi Byrne
Subject: April 2024 EMS Report

March 2024 (as of 3/28) 87 Calls
 20 Refusals

-North/New Hanover: For March:

 North Hanover- 8 dispatches-2 transports, 2 refusals, 2 cancels

 New Hanover-1 dispatch-1 refusal

It should be noted that Jacobstown EMS answered 2 calls in Plumsted while the duty crew was out. 1 BLS transported to CSMC, 1 ALS transported to RWJUHH.

-Speedway: The speedway has begun. Some recent personnel changes have been brought to our attention; we will be monitoring.

In house CEU classes: Schedule to be posted, waiting on date confirmation from Dr. Lavelle.

-Squad telephone/ FIOS/Internet: Project has been completed. Thank you to Chris Herbert and Matt Jakob for their help in running wires, etc. saving the district money for installation.

-Staff Locker Room Partition: Permit has been obtained. Supplies purchased. Construction to take place over next month.

-Building Air Conditioner/Heater Unit/Electric: Lighting has been upgraded, waiting on new HVAC. In the meantime, the heater has completely broken. I notified the township so they are aware. They sent out a service tech who confirmed. Committeeman Hammerstone dropped off space heaters to use until the weather gets better. Anticipate new unit May-June.

-Gear Lockers: Working on finding the cheapest pricing, shipping is expensive due to the weight of the product. Reaching out to local departments to see if they are getting rid of any.

-Grant/LUCAS device: Order has been placed. 4–5-month lead time for delivery of machine...

Please let me know if you have any questions.

Respectfully

,
Jodi Byrne
EMS Captain
