June Captain/Fire Marshal Report

Board of Commissioners,

July 13, 2023

My report for the month of June is as follows.

Inspections : Very little progress. I am doing them by myself when I can. I will get the required Life Hazards done required by the state. Attended the new registration class put on by the state. Program seems ok but have not had to do much with it yet.

Winery : June Events were covered

Scheduling is coming along. Sometimes running with only 4 firefighters but mainly 5 to 6 daily. The days running with 4 is only because of last minute call outs from peridium's being held for overtime or being forced to work.

As always if there is anything that you may need, please swing on in and let me know or just tell Chief Byrne and he will let me know.

Fraternally,

Joseph Paolo, Fire Captain/Fire Marshal
